

***FY 2007 Grant Application Changes:*** <http://www.csrees.usda.gov/funding/fy07changes.html>

now requires that **all** grant applicants use new application forms;  
now accepts **only** electronic applications for most programs (refer to the online CSREES table)

---

***The following link has tips for preparing and submitting your electronic application***

<http://www.csrees.usda.gov/funding/electronic.html>

Resources for applying electronically  
Resources for applying by paper (for the few remaining programs where applicable)  
CSREES eGrants Planning
