Subject: EMS Objectives and Targets for FY10
To: Dr. Timothy C. Strickland, Location Coordinator
From: Tamara Snipes, Chemist/EMS Coordinator

In order to comply with EMS Guidelines set forth by the Area Office and EO 13514, we are required to develop annual goals, objectives, and targets in order to continually improve our environmental program. The goals, objectives, and targets should be approved and endorsed by the highest senior management official within the organizational unit. Tifton's EMS FY10 targets have been prioritized, assigned a projected completion date, and listed below.

TIFTON LOCATION EMS OBJECTIVES AND TARGETS FOR FY10

1. Significant Environmental Aspect: Energy Conservation
Objective: Reduce energy consumption in federal facilities.
Target: Establish heating and cooling limits for all federal facilities.
Projected Completion Date: September 30, 2010
2. Significant Environmental Aspect: Energy Conservation
Objective: Replace incandescent exit signs with energy efficient LED exit signs.
Target: Inventory federal facilities for the type and number of exit signs in use.
Projected Completion Date: September 30, 2010
3. Significant Environmental Aspect: Motor Vehicle Activities
Objective: Improve overall fleet fuel efficiency.
Target: Determine fuel efficiency for previous and current fleets.
Quantify the increased fuel efficiency after the massive fleet overhaul in FY09.
Projected Completion Date: September 30, 2010
